Dear Parents/Guardians,

### **Special Invitation to Join the Westwood Family: A New Decade, A New Era**

Westwood Primary School aspires to deliver exceptional holistic education in the 21st Century to raise a generation of children with Deep Anchors of Character, to Flourish and Thrive, with their hands to the Nation, Hearts to the Community, and Eyes to the Future.

Since our inception at the start of 2013, Westwood Primary has embarked on a journey of Positive Education which focuses on balancing excellence with well-being. This is premised on designing and delivering a holistic education, anchored on sound character development and values inculcation, to prepare our students to thrive in a fast-changing and highly-connected world. At the same time, we are also nurturing future-oriented children so that our students can possess lifelong competencies like innovative thinking, cross-cultural understanding and resilience to take full advantage of opportunities in a globalized world.

Leveraging on our unique school-based curriculum and programmes like our Learn for Life Programme (LLP) and Applied Learning Programme (ALP), our students are developed as Compassionate Leaders, Confident and Positive Persons, Self-Directed Learners and Trustworthy Friends. Through these programmes, our students also learn to exercise their creativity and bear witness to how their actions have a positive impact on the lives of others in the community.

Becoming a Positive Institution is the quest for Westwood Primary not only to deliver positive education, but also to live out positivity as a school to inspire our community, both within and without, to find meaning, purpose and engagement in all we undertake. To this end, we would like to extend a special invitation to you to join our Westwood Family and be part of something extraordinary!

With the close partnership of our Parent Support Group, we have garnered fabulous support from our awesome group of parents who are constantly providing an extra pair of hands in helping us to run events to enhance our students' learning and school experience. Through this engagement, parents have built strong bonding and fostered long lasting friendship with one another.

**THRIVE IN OUR  
LITTLE MINDS EVERYDAY**

Westwood Primary School aims to nurture Flourishing Pupils through its THRIVE Framework for Positive Education. Ultimately, we hope for every pupil to be Happy, Resilient and Engaged. We want pupils to find Meaning and Joy in Learning as well as in relating well with their friends and contributing to the community.
